Japan Supports Meiss El Jabal Governmental Hospital

The Embassy of Japan funds X-Ray Units for Meiss El Jabal Governmental Hospital in Marjayoun, in order to enhance the quality of medical services in the area.

To fund the project, on March 1 2018, H.E. Mr. Matahiro Yamaguchi, Ambassador of Japan to Lebanon signed a grant contract with Dr. Hussein Yassin, General Director of Meiss El Jabal Hospital, which provides medical services to the residents of Meiss El Jabal village and neighboring areas.

The Embassy provides the grant of USD 90,712 for the procurement of C-Arm and mobile X-ray machines through the Grant Assistance for Grass-roots Human Security Program (GGP). The project will benefit over 35,000 residents including Syrian refugees through enhanced medical services in the hospital.
