Press Release

Hand-over of Emergency Relief Goods in Response to the Explosions in Lebanon

1 On August 10, emergency relief goods have been handed over from Japan to Lebanon at Rafik Hariri International Airport.

2 This assistance is to provide emergency relief goods including tents, sleeping pads, blankets and others) through the Japan International Cooperation Agency (JICA) to Lebanon in response to the damages caused by the tragic event in Beirut. The relief goods will be distributed to those who have been affected.

3 The Government of Japan prays for the resurrection of Lebanon at the earliest possible time and stands ready to provide the necessary cooperation.
